

Pastor's Paragraphs by Pastor Mark Farnell

The Holidays will be here before you know it! Before we get caught up in the hustle and bustle let us take a moment and reflect on Thanksgiving. Thanksgiving is that time of the year when we are called to give thanks, suspend our hectic lives, and remember all the things our God has bestowed upon us in the last year. Thanksgiving is a time when we are more conscious of the abundance with which we live.

Without a doubt thanksgiving is my favorite holiday. I know what you're thinking – it's my favorite holiday because I get to eat and watch football (well that certainly is nice) but it is so much more than that. Thanksgiving is a distinctive holiday. It doesn't commemorate a battle or a birthday or anniversary; it is simply a day set aside to express our thanks to God. Webster's Dictionary says that Thanksgiving means "*a formal public expression of thanks to God.*"

"Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name" (Psalm 100:1). The 100th Psalm was written for the people of Israel. God was basically saying to them: "when you come into the Promised Land, settle down in your warm homes, and have plenty to eat – don't forget to worship me and give thanks! In the first verse it addresses *"all the earth"* and the last verse includes *"all generations."* The importance of Thanksgiving is so deep and so wide that it applies to every person of every generation. Just as we need to breathe, to eat, to be in relationship with one another, and to dwell in safety so we need to give thanks. There is something deep within us that recognizes how much we have been given, and that which yearns to respond in gratitude. There is a reason for our praise and thanksgiving and it is not based on circumstances, but on God! It is about God's grace! It is about remembering God's faithfulness and love! It is about remembering God is everywhere, God is with us. So as Thanksgiving is quickly approaching may we pause and say "thank you." Say thank you to the one who is the source of all our blessings. From my family to yours may you have a safe and blessed Thanksgiving holiday!

Guess Who!!! By Pastor Mark

Last month's mystery person was Teresa Farnell! See if you can guess this mystery person!

This month's mystery person has been married to his wonderful bride for over 51 years, has three children, 7 grandchildren, and two great-grandchildren! He is a talented carver and woodworker. Our mystery person was a member of the National Guard, and he has taken on a new hobby—kayaking! Can you guess who this person is? Find out if you are right next month!

Volunteers in Mission by Larisa Thomas

Volunteers In Mission

This past month was a busy month. Thank you to all who helped support our Flea Market and Pancake Breakfast. We raised over \$1,000 to go towards our Mission Work. We also worked on stabilizing the trailer of the family in Pondtown. We are still working on getting them into the better trailer, and hope to continue to cut through the red tape.

VIM is starting to organize the volunteers for Our Haven Homeless Shelter. CUMC will again need to provide volunteers just for the 6PM to midnight shift. We will need 3 volunteers each night, with at least one being a male. We also will be providing the evening meal. The dates CUMC has been asked to staff are December 25-27 (evening meal only), January 29-31, March 5-7, and April 9-11. Look for signups later this month, although if you could help with the December dates, please let Larisa Thomas know ASAP.

VIM has selected the dates of the trip to the Appalachia Service Project to be April 2nd-5th. We are currently trying to firm up how many teams will be going. Ages 14-99 are invited, and there are no experience requirements (although we also need some experienced workers too!). If interested, please email Larisa.Thomas@centreville-umc.com.

Finally, we have had to switch our meetings again so that our volunteers can make it. The next meetings will be the 3rd Monday: November 17 & December 15. All are invited to be the hands through which God can work!

Nursery Ministry

The nursery is an important tool the church has in attracting and retaining new young members. Without the nursery, many parents would not be able to attend church.

Due to Safe Sanctuary Practices, we do need two people in the nursery at all times. The 11 AM nursery desperately needs volunteers to help the paid attendant, Kelly Nelson. We have only 33% of the services covered for the rest of the year. Please stop by the bulletin board outside the nursery and sign up for a shift or two, or contact Kelly Nelson for details.

United Methodist Women **By Barbara Erickson**

United Methodist Women Year in Review

Our outreach this year has been to send two sewing machines plus money for accessories and two school uniforms, through Volunteers in Mission, to Costa Rica.

We make and distribute baby blankets, adult bibs, totes for wheel chairs and walkers, for tots at worship and for the migrant school program.

We made quilts for Camp Pecometh's Quilt Auction, and we sponsored a camper this summer.

At our home church, we help maintain the food pantry and the Samaritan Fund. We serve luncheons following funerals when requested and serve dinners to the United Methodist Men and the Lions Club monthly. We also hosted our annual Fall Bazaar.

If you are interested in getting involved with any of our outreach programs, please contact Barbara Erickson.

We would like to thank all those who supported our Fall Bazaar, and for all those who donated time and efforts in working to set up, clean up, and run the various areas of the bazaar.

Please call the church office and tell Pat about your issues and she will then pass them on to a committee of Loving Hands and Hearts to help share the joy, sorrow, or concern. What is Centreville Youth Ministries?

Many times I am asked “What is Centreville Youth Ministries?” or I am “corrected” in the plurality of the word “Ministries”. When most people think about youth ministries in the United Methodist Church, people think of “UMYF” or “United Methodist Youth Fellowship” and that hasn’t changed. When the number of youth attending each week continued to grow each year and we started to branch out into other things, I felt that UMYF just did not fully entail all that our youth were involved in.

Each Sunday night a group of 35-45 youth gather every week during the school year. This is the time that the MYF meet. This time is used as MYF has been used for many years: our main goal is that of fellowship. Our youth are surrounded by many non-Christian environments and many non-Christian acting people, but this time is an awesome time to be in a Christian environment around other Christian youth. We also take this time for devotions, faith lessons, and sharing. When we meet there is an hour of just middle schoolers (6-8), an hour of both middle and high schoolers, and then an hour of just high schoolers.

Once a month a group of six youth gather to plan. This is the Student Leadership Team (SLT). This team has been working since before we started to make this larger group more focused, successful, and growing. With about 80 youth on our mailing list, a part-time youth director could not manage all of the different aspects of what it takes to plan, organize, and communicate with all of the youth. Our President is Rachel Connolly, Vice-President Andrew Thiesse, High School Representatives Casey Strotman and Samantha Lansinger, and Middle School Representatives Jordan Price and Stacey Davis.

The third part of CYM is our Youth Missions Team (YMT). The YMT may be a part that many of you are more familiar with. This is the team of youth that primary focus on our Summer Missions trip and spreading God's word through our service to those in need. This group has gone to North Carolina, West Virginia twice, and most recently Kentucky. The youth that take part in our summer missions trip have all gone away on a particular spot in their faith journey and come back significantly further along in it. This group works hard to allow them to raise the funds needed to out in mission.

None of these ministries are truly more important then the other, but the MYF does take a lead in putting the youth in place to take part in the other two ministries. We also could not do any of the things that we do, if it were not for the wonderful support that we have from YOU ,the members of the church. THANK YOU!!!!

Each one of these ministries come together to create Centerville Youth Ministries and help us to fulfill our mission statement.

CYM exists for the youth of Queen Anne's County, regardless of school, church, faith, or faith journey to praise God and Jesus. CYM will do this with our fellowship together, our ministry to believers and non-believers, our missions and service for the community, and through our continued efforts to become stronger in our faith and better disciples.
