

# Photography Opt-Out Form

Centreville United Methodist Church

The church publishes photographs and/or video in our newsletter, website, social media pages, and various bulletin boards. We do this to highlight our ministries and the fellowship we share. At the same time, it is our wish to protect your privacy and personal preference on this matter.

If you would prefer that your or your child's image NOT be used, please fill out the form below and submit it to the church office. If you have no objection to your image being used, you do not need to complete this form.

Opt-out individuals should remove themselves from situations where photography is occurring, or notify the camera operator of their status. This will help ensure that their image is not used.

Please attach a current photograph of each person included in the opt-out. These will be kept secure in the church office and used to check images for opt-out individuals.

If you have any questions, please contact the church office.
